# AQUOS THE SCENES **8K**

Bringing Real Experience

## 8K technology reproduces brilliant, true-to-life colours and images

### Deep Chroma Display Pro

Achieves a color gamut exceeding 100%\* of the digital cinema standard. 167% of the screen brightness vs. conventional. Colour area is wider by two elements. Sharp's unique 8K UV2A panel with lower reflection and newly developed backlight. Using high quality panels made in Osaka, Japan.\*DCI(1976) area ratio

### Z2 Revelation Processor

Newly developed engine embedded. 20% Faster CPU Performance, 56% Faster Graphics. A chipset with significantly improved performance supports more comfortable viewing.

### AQUOS **8K** 8K Resolution

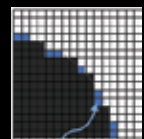

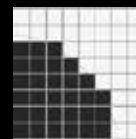

Full HD

4K UHD

8K UHD

8K UHD—the next step beyond 4K UHD with a resolution of 7,680 × 4,320 pixels for a total of 33.18 million pixels, 8K UHD gives images that are 16 times more detailed than Full HD.

### 8K AI Upconvert

Compensate pixels

Predicts the original shape of the object and restore its details. Z2 Revelation Processor analyzes target pixels by using 8K pixels, which are 1/4 the size of 4K. In particular, image processing is applied specifically to areas where the human eyes perceive 10 times more sensitivity on details.

### HDR Enhanced + 煌彩

Go beyond HDR. Optimize brightness pursued.

W/O HDR Enhanced+

HDR signals contains deeper dark level. black level is difficult to display.

W/ HDR Enhanced+

Analyzing sources, low & middle level tones are brought up.

### Streaming Video Optimizer+

Enjoy clear & comfortable viewing, optimizing for each VOD service

\* Google Assistant is not available in certain languages and countries. Availability of services varies by country and language.

# AQUOS 4K androidtv

## Android TV

Enjoy plenty of Apps including videos, news and games.

## X4 Master Engine Pro II

AQUOS original processor enhance the quality of experience.

# HDR

High Dynamic Range  
Flawless picture quality with wide colour range.

## Sharp 7 Shields

Multiple product protection for maximum security.

## Captures real beauty

X4 Master Engine Pro II works for all the aspects required for projecting high picture quality.

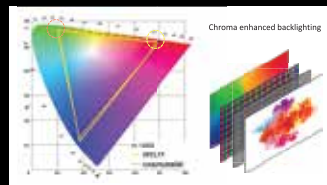

With AQUOS and the Google Assistant, quickly access entertainment, control smart devices, get answers on screen, and more using your voice.

\* Google Assistant is not available in certain languages and countries. Availability of services varies by country and language.

## Environmental Friendly

- Super ECO Mode
- Save up to 50% (Power consumption)
- SHARP is compliant with RoHS

## Deep Chroma Display

Applied enhanced Chroma substances for backlighting. The light source consists of pure green and pure red. Which results in many more tones and colours.

## Comfort Mode

- Reduce 50% blue light
- Ease eye strain.
- Induce headaches or migraine
- Lead to eye fatigue
- Suppress melatonin production
- Cause damage to the retina of your eye and contribute to other eye disorders

## 7 Shields Protection

Lightning Shield

Heavy Weight Shield

Voltage Shield

Drop Shield

Stability Shield

Vibration Shield

High Temperature & Humidity Shield
